

DOOFY – Official Whitepaper (2026)

Version 1.0 | Public release

1. Introduction

DOOFY is a global entertainment–crypto project combining animated content, meme culture, multilingual media, and a meme coin powered by brand and content strength.

Doofy is a cartoon character — a lovable idiot. The goal of the project is to build the most entertaining crypto IP in the world.

2. Mission & Vision

Mission:

To create a global entertainment brand connected to crypto. We regularly release funny animated videos and reactions to real-world events and social media trends. Content is produced in multiple language versions so people around the world can enjoy Doofy together.

Vision:

- Build a continuously growing entertainment IP
- Expand into new languages and regions
- Involve the community in episode creation
- Use DOOFY token as access to premium content
- Offer merch discounts to holders
- Let the community shape the future of the project

3. The Problem We Solve

Most meme coins offer little beyond speculation. DOOFY focuses on content, community, and transparency.

We aim to consistently deliver:

- Humor

- Animated videos
- Memes
- Contests
- Exclusive holder-only content
